

THOSE ARE THE THINGS I MISS THE MOST

T-Shirts and Shorts and Things.
Rubber bands and Songs and Dreams.
Copping tans in coconut groves
Those are the things I miss the most

Those are the things I miss the most
Those are the things I miss the most

Blue jeans and contest queens
Sports cars and chasing stars
Talkin' dirty upon the phone
Those are the things I miss the most

Memories of all we've done.
One thought my emotions run.
Why I left you I'll never know.
I'm feelin' so sad I let you go.

Why I left you I'll never know.
I'm feelin' so bad I'm eatin' crow.
Why I left you I'll never know.
My heart is so cold it's set in stone.

Sailboats and deep blue skies
Layin' back with mellow highs
Ballparks and stale hotdogs.
Those are the things I miss the most.

Those are the things I miss the most.
Those are the things I miss the most.
Those are the things I miss the most.
Those are the things I miss the most.
